

## DuBose Strapping

### Titan PR33

Pneumatic Tensioner for Regular Duty  
and High Tensile Steel Strapping

- **Pusher Tool for Bundling and small surface applications**
- **Pneumatic Tension Motor ensures consistent strap tension**
- **$\frac{3}{4}$  to 1  $\frac{1}{4}$  inch Regular Duty and High Tensile Capability**
- **Strap thickness .025 to .040 inch**
- **$\frac{3}{4}$  and 1  $\frac{1}{4}$  inch Strap widths**
- **1800 pounds force of applied tension**
